Fax-On-Demand Document # 1013

The Century 29 offers a beautiful corner unit with an extra deep bathing well. It includes all the Century Series standard features, such as: bath-side electronic control with digital display for operation of the inline heater and the 2 HP, 3-speed run-dry pump, an underwater mood light and an integral waterfall fill spout. The Century 29 features six full size hydrotherapy jets, including three recessed **Rotary Massage Jets**, two **Full Size**

Pressure-Flo Hydrotherapy Jets and one **Fan Jet**. Two **Rotary Massage Jets** are stacked in one station. These jets generate a powerful rotating massage action that is directionally and pressure adjustable for custom flexibility. At the second station the **Fan Jet**, positioned above a **Rotary Massage Jet**, provides a pulsating hydro-massage with oscillating streams of air and water pushing and pulling across tired, aching muscles.
