Fax-On-Demand Document # 1015

The Century 31 offers an extra spacious bathing well for two persons while providing the benefits of the feature-packed Century Series. Standard equipment includes: bath-side electronic control with digital display for operation of the in-line heater and 2 HP, 3-speed run-dry pump, an underwater mood light and an integral waterfall fill spout. The Century 31 features eight full size hydrotherapy jets, including three recessed Rotary Massage Jets, four Full Size Pressure-Flo Hydrotherapy Jets and one Fan Jet.

Two Rotary Massage Jets are stacked in one lounger. These jets generate a powerful rotating massage action that is directionally and pressure adjustable for custom flexibility. The second lounger places a Fan Jet horizontally for upper back, shoulders and neck above a Rotary Massage Jet. The exclusive Fan Jet provides a pulsating hydromassage with oscillating streams of air and water pushing and pulling across tired, aching muscles.
