The Century 37 gives all the standard amenities of the Century Series in a unique two-person model. Premium features include a 2 HP, 3-speed run-dry pump, inline maintenance heater, bath-side electronic control, integral waterfall fill spout, underwater mood light and eight full size hydrotherapy jets. The eight jets featured are four Full Size Pressure-Flo Hydrotherapy Jets, one Rotary

Massage Jet, two StressEaz Jets, plus a Fan Jet. Since both seats offer different jet configurations, the bather can choose the type of massage that suits them best. One seat massages the neck, shoulder and back with the vertically positioned Fan Jet, while the second seat offers the StressEaz Neck and Shoulder Therapy System combining pressure adjustable neck and shoulder jets with the adjustable Rotary Massage Jet.
