The Century 40, a true oval in the Century Series, features a 2 HP, 3-speed run-dry pump, inline maintenance heater, bath-side electronic control, integral waterfall fill spout and underwater mood light. Seven full size hydrotherapy jets include two Full Size Pressure-Flo Hydrotherapy Jets, two Rotary Massage Jets and a custom StressEaz Neck and Shoulder

Therapy System consisting of one vertically positioned Fan Jet and two StressEaz Jets. The bather is massaged by two pressure-adjustable, spinning massage jets in the neck, shoulder and upper back area. Beneath the two StressEaz Jets is Aquatic's unique Fan Jet which provides a pulsating hydromassage sending oscillating streams of air and water pushing and pulling across tired, aching muscles.
