The **Heart**, a two-person whirlpool bath, adds a touch of romance to your bathing suite. This bath offers a total of six hydrotherapy jets, including two recessed **Rotary Massage Jets** for back and torso therapy and four **Full Size Pressure-Flo Hydrotherapy Jets**. The **Rotary Massage Jets** generate a powerful circular massage action that is adjustable for custom flexibility.

Aquatic's Heart has features standard to our *Luxury Series*, such as a deeply contoured bathing well and built-in lumbar back support. The six jets are strategically placed to target jet action to the shoulders, back, legs, knees and feet; providing relief to sore, aching muscles that collect the tensions of the day.
