The Laguna, a classic hourglass whirlpool design, puts all the benefits of a larger whirlpool into a compact, standard replacement size bath. This whirlpool offers seven pressure adjustable hydrotherapy jets, including one recessed **Rotary Massage Jet**, four **Full Size Pressure-Flo Hydrotherapy Jets** and two **StressEaz Jets**. The **Rotary Massage Jet** generates a powerful

circular massage action that is adjustable for custom flexibility. The Laguna features a deeply contoured bathing well and built-in lumbar back support. With seven jets strategically placed to target hydrotherapeutic jet action to the neck, shoulders, back, legs, knees and feet, the Laguna provides welcome relief from the tensions of the day.
