The Infinity Series offers hydrotherapy based on ancient shiatsu massage techniques. The **Infinity VII**, a two-person oval whirlpool, offers an extra deep contoured bathing well with contoured seating. Adjust the speed of the jets to modify the intensity of therapy or pause the action to prolong the soothing

effects of a particular jet combination. The Infinity VII whirlpool features sixteen full size hydrotherapy jets, including twelve **Shiatsu Back Jets**, two **Full Size Pressure-Flo Hydrotherapy Jets** for leg and foot areas and two **Rotary Massage Jets**. Aquatic's exclusive **Neck Jet Pillow** provides invigorating massage action to the neck.
