Overall Dim.: 16"(406mm) x 38"(965mm) x 2-1/2"(64mm) deep

PRODUCT Specification . . . The Ebb Basin is manufactured in one piece from 16-gage, Type 304 stainless steel. A sloped surface hides the drain opening. Basin can be installed with fold facing toward or away from faucet. (Faucet not included) The basin can be installed in a drop-in or undermount application. Undermount clips are provided. The basin is available in a "Deep" depth of 7" (178 mm) or a "Shallow" depth of 2-1/2" (64 mm). The basin is also available in standard overall length of 19" (483 mm) or Trough Style, overall length of 38" (965 mm). The basin is available in Satin (Standard) or Mira High Polish Finish.

PLUMBING Specification . . . The Ebb Basin is recommended for drop-in or undermount applications. Laminar (soft flow) faucet is recommended. (Faucet is not included with basin). Drain is not removable. P-Trap and faucet not included.

The Ebb Basin has patent pending.

Approved for Manufacturing
