

DRAPED™ SOAKING BATHTUB

- 60220.00 Draped Soaking Bathtub with Black Textured Exterior**
- 61220.00 Draped Decorative Frame in Black (required)**

The illusion of satin fabric spontaneously draped over a decorative wrought iron structure is the essence of the elegant Drape Bathtub. In harmony with the aesthetics, the tub provides the ultimate comfort for the bather, with its integral armrests, headrest, and lumbar support.

- Acrylic with Durabond™ construction
- Unique “draped” design
- Generous back, lumbar support area
- Molded arm rest at back rest end
- End drain outlet
- Textured tub bottom pattern
- Decorative tub frame with designer finials in black iron
